

Meeting Pre-work

At High Performing Culture, we're all about making the most of every meeting opportunity. So, we recommend that you take a few minutes to answer the following simple questions prior to the start of our discussion:

List 3 people in your company who you wish you could clone.

Name

Department

List 3-4 behaviors you see these people *do* that make you want to clone them.

What would your company be like if everyone did these kinds of things? How would it impact your results?

What would it be worth to you if you could make that happen?
